

WELCOMING YOUR CHILD TO YEAR 7 AT CECIL ANDREWS COLLEGE

Cecil Andrews College exemplifies excellence in education for all students. While our school is rich in heritage and tradition, rightly valuing what the past has given us, we are also an exciting and innovative future focussed centre of learning.

At Cecil Andrews College we support students with a range of programs and systems so that we manage the transition to high school for your child as smoothly as possible.

This means when your child joins Cecil Andrews College, they will be welcomed into an environment which is ready to work for them to achieve excellence.

Our College motto is “Achieving Excellence Together” and this is embedded in everything we do. We aim to provide all of our students with a passion for learning and to prepare them for a world of innovation and change. We focus on pathways to suit every student and prepare them for further study or the world of work and we work with them to Achieve Excellence Together.

TEACHING & LEARNING

Quality of teaching and learning is at the forefront of all we do at Cecil Andrews College. We want your child to succeed at school, to reach their full potential and find the pathway to success that suits their interests and needs.

Some of the ways we do this are:

- Quality teaching staff – dedicated, caring and passionate, award winning teachers
- Our teachers use the latest research and evidence-based teaching strategies
- Academic extension program for gifted and talented students
- Dedicated classes for literacy and numeracy support
- Leaders in STEM education
- Official Teacher Development School (TDS) in digital technologies
- Specialist Australian Rules Football program
- Specialist Performing Arts program

KEEPING PARENTS INFORMED

We understand that some parents may be nervous that their child is starting high school, and that there may be some questions you have regarding this transition. Please know that you are a partner in your child's education and as such you are welcome to contact us with any questions you may have. Communication is key so that you are kept up to date about all that is going on during your child's school life.

Some of the ways we communicate with our parents and students are:

- Our website – all the latest information and some great news stories as well.
- Our official Facebook page – like our page at [www.https://www.facebook.com/CecilAndrewsCollege/](https://www.facebook.com/CecilAndrewsCollege/)
- Newsletters – sent out at the end of each term
- Parent information nights
- SMS system for attendance and absentee days
- Cecil Andrews College CONNECT Space - this is the portal for CONNECT for Students, Staff and Parents. It is for information and direction to other resources.
