Specialist Performing Arts

The Specialist Performing Arts Program at Cecil Andrews College allows students to build and grow in the areas of Dance, Drama and Music. We seek to build our students in technique, performance and critical thinking with a major focus on improving respect and confidence. Students will be enrolled in all three disciplines of Performing Arts consisting of 2 sessions a week in each area. Students will have many opportunities throughout the year to Perform for a live audition in Dance, Drama and Music and are encouraged to audition for our annual school production. We encourage both male and female students to apply for the program. Our performing arts teachers are highly regarded within the Perth theatre community with great experience and knowledge.

Audition Requirements:

Students are required to learn the duologue, sing a song or play an instrument they are familiar with and participate in a dance workshop on the audition day. The duologue and song choices are included in this package. Students are encouraged to learn one role from the duologue and can choose from the song selection. Students are required to wear theatre blacks. (*Girls: Black leggings and black top, Boys: Black shorts and black top*). Students after the audition date may be asked to attend a call back session where dates and information will be mailed out.

AFL Academy

The AFL Academy develops the skills and knowledge to be successful in the AFL industry as a player, umpire or coach. Our participants have a passion for AFL and a desire to work hard and improve. The program focuses on skill development, tactics, nutrition, as well as basic literacy and numeracy skills required for the workplace. We pride ourselves on providing a holistic education for students that involves supporting them with attendance, academics and pastoral care. We can achieve a variety of goals, given that we have 5 sessions a week (over 5 hours in total), students are also involved in the positive behaviour system which acknowledges students for displaying positive behaviour around the school. We encourage both male and female students to apply as we plan on developing a female program in the near future.

Students will have the chance to demonstrate their ability to perform on a variety of platforms necessary for successful competition in the game of AFL. The trial will involve a combination of exercise testing, skills testing, and skill-based games.

Trial Requirements:

Student's trialing need to wear appropriate sports/football clothing and bring both a pair of football boots and runners; don't forget a drink bottle, snacks and your mouth guard. Selection requires a positive academic record and training attitude combined with the necessary skills and experience in Australian Rules Football. An applicant who has not received access to quality coaching but shows potential will be taken into consideration.

Specialist Compulsory Fees

All specialist subjects have compulsory fees, these fees are payable on top of all other core elective fees and voluntary contributions. 2023 Specialist Performing Arts compulsory fee is \$90.00 with a \$45.00 deposit; 2023 AFL Academy fee is \$100.00 with a \$50.00 deposit. DUOLOGUE

Perform the following duologue with expression and movement for your Drama audition.

It is preferable for you to learn the words off by heart.

TRAP

SIBLING 1: What did you do? What did you do?

SIBLING 2: Nothing.

SIBLING 1: What do you call this then?

SIBLING 2: What?

SIBLING 1: (*throws a mouse, still in the trap, at the other sibling's feet.*) This.

SIBLING 2: What. It's nothing.

SIBLING 1: You killed it.

SIBLING 2: So what?

SIBLING 1: You killed it.

SIBLING 2: It's a mouse.

SIBLING 1: And you killed it. you had no right.

SIBLING 2: What are you talking about? Of course I had a right. It was a mouse. They're vermin.

SIBLING 1: It was alive.

SIBLING 2: It was disgusting.

SIBLING 1: You're disgusting. Maybe someone should crush you.

SIBLING 2: Look, there are millions more mice out there. There's probably more just in this house. Go fall in love with one of them and leave me alone.

SIBLING 1: I can hear them crying.

SIBLING 2: Who?

SIBLING 1: The mice. All the mice. I can hear them crying.

SIBLING 2: You know there's something seriously wrong with you, right? Anyway I didn't kill it. I just set a trap and it walked into it.

SIBLING 1: Yeah? Well, be careful. Maybe one of these days someone will set a trap for you.

SIBLING 2: Who – you?

SIBLING 1: I know where you go. I know what you think. And I know what will hurt you.

SONG SELECTION

Please choose one song from the two choices below
and learn the verse and chorus for your Music audition.

Little Me

(Little Mix)

She lives in the shadow of a lonely girl
Voice so quiet you don't hear a word
Always talking but she can't be heard
*You can see her there if you catch her eye
I know she's brave but it's trapped inside
Scared to talk but she don't know why*

Wish I knew back then
What I know now

Wish I could somehow go back in time
And maybe listen to my own advice

I'd tell her to speak up, tell her to shout out
Talk a bit louder, be a bit prouder
Tell her she's beautiful, wonderful
Everything she doesn't see
You gotta speak up, you got to shout out
And you know that right here, right now
You can be beautiful, wonderful
Anything you want to be
(Little me)

Price Tag

(Jessie J)

Seems like everybody's got a price
I wonder how they sleep at night
When the sale comes first
And the truth comes second
Just stop for a minute and smile
Why is everybody so serious
Acting so damn mysterious
Got shades on your eyes
And your heels so high
that you can't even have a good time

Everybody look to their left
Everybody look to their right
Can you feel that, yeah
We're paying with love tonight

It's not about the money money money
We don't need your money money money
We just wanna make the world dance
Forget about the price tag
Ain't about the uh cha-ching cha-ching
Ain't about the yeah b-bling b-bling
Wanna make the world dance
Forget about the price tag
