Cecil Andrews College Specialist Arts Program Application Form

About the Program

The Cecil Andrews College Specialist Arts program is an exciting opportunity for Year 6's enrolling to Cecil Andrews College to apply to join in 2026 for Year 7. Students will be placed into a specific Specialist Arts Program Pathway class for Arts electives across the year. The program is designed for students of all abilities who have strong and keen interest in any area of The Arts. It groups like-minded students who will have a strong commitment towards the Arts moving through their years at the College.

General Information

The Arts is made up of the following disciplines. Students may have an interest in one or more of these areas:

Performing Arts	Visual Arts
Dance Drama Music	Media Arts Visual Art

Program Information

The program is an exciting opportunity for passionate Arts students. Students will benefit from being in this pathway through:

- Working with like-minded students who also have a passion for The Arts.
- Be taught by expert teachers in their subject field.
- Work towards entering competitions and showcasing work.
- Develop invaluable collaborative and problem-solving skills.
- Develop essential creativity skills that are essential in the 21st century.
- Possibly complete large-scale projects according to class interests.
- Continuity through selecting the pathway in Year 8.

Students will be grouped into Specialist Arts Pathway classes for the year. It is an expectation that all students in the program will go onto select the course as an elective in Year 8.
